(Continued from Page 1)
 past several days as sneak thieves and footpads took advantage of the week end and dark of the moon to beat the crowds of conventional shoppers.
 Tom Burchfield told police that someone broke into the Burchfield Rug Cleaners at 1971 Torrance Blvd. sometime Saturday night or early Sunday and took between \$12 and \$15 from a cash box in the plant. The burglars used a pry-bar to open the front door of the building.

ABOUT THE same time, someone was trying to pull a truck through the locked gate of Bullock Shell Service at 39009 Hawthorne Ave., Roger Bullock told police. A rope or cable was passed through the fence, hooked on the truck, and an effort made to pull the truck through the fence, making an opening. Their efforts were fruitless, police learned.
 At the Skipper Inn, just up the street at 18930 Hawthorne Ave., James Erickson reported that someone dropped through the ventilator to the establishment and took \$54.90 from a container in the kitchen. They left through the front door, police were told.

LAUREL DEAN Thompson, a 31-year-old waitress of 4551 Narrot, told police someone ripped a screen at her home and took a woman's wrist watch and a man's pocket watch with a total value of about \$50. Nothing else apparently was taken.

Darrell Lewis, of 23664 Suisana, an electrician, said someone entered a rumpus room he was building and removed a heavy-duty vibrating sander.

SALLY Marinovich, 26, of 10607 Darien Place, came home from visiting neighbors and found the front door of her home ajar. Inside she found the drawers, closets, and rooms had been ransacked, but apparently nothing was taken.

Viola Reitar, owner of Gingham Girl Donuts at 5325 Torrance Blvd., told police someone dropped down through the roof of the shop and took about \$22 in silver.

Norbert Edwards, of 18420 Yukon Ave., told police someone entered his garage and removed a power lawn mower.

'Meanest Thief' Candidate Found

Title of the meanest thief of the 1960 Yule season might easily go to the person who stole a life-size Santa Claus from the front lawn of the residence of Mr. and Mrs. Russell Cholley, 2404 W. 164th St., some time Monday night.

The Cholleys have six children, all of whom miss old Saint Nick, but the most disappointed is 2-year-old Billy, who is afraid there will be no Christmas presents, now that his friend in the red suit and with the white beard, no longer sits in a lawn chair out in front.

Ronald D. Terry, seaman, USN, son of Mr. and Mrs. V. B. Terry of 3410 W. 226th St., returned to San Diego Nov. 26 aboard the radar picket destroyer USS Rogers following a four-month cruise with the Seventh Fleet in the Western Pacific.

The Rogers visited Hawaii, Japan, Guam, the Philippines and Hong Kong.
